Tuesday 3 rd July	Kwik Cricket Tournament Yrs. 4/5/6	Warden Park School	9:15 – 12:15	NSP	
TBC	Swimming Gala	Dolphin	TBC	St Peter's	

There may be a few dates missing. If Caroline / Twineham are going to run their inclusion festivals, those dates will need to go in.

You will see that there are dates for small schools football league matches and big schools football league matches.

I have looked at the numbers in KS2 for September and, based on these numbers, the schools playing in the big schools league are: **Albourne, Handcross, Balcombe and St Gile's.**

This means that these schools will be playing in the small schools football league: **Bolney, St Augustine's, St Mark's, St Peter's, Twineham and Warninglid.**

For the football tournament in March, all schools will come together to play each other.

The Small Schools Football League dates are hi-lighted

The big schools Football League dates are hi-lighted

Netball is remaining the same as last year – all schools playing together.

I have put in a possible date for a “Celebration of Movement” – a chance to showcase some gymnastics or dance you have been working on either as a club or in lessons. Just fun, no competition!

There are also plans for some NAK Festivals, targeting KS1 and Years 3&4. I have to work out all the details but the session will be split into two parts. The first part will be a chance to practise some skills by doing some fun activities and

the second part will be some matches against other schools (for fun). I will try to place these events during the colder weather when there is not so much going on outside.

Can I ask that you have a look through and mark with a Yes those activities that you would like to enter and a No for those you do not wish to enter. This is obviously an indication of your interest and I will confirm with you nearer the event.

I would be grateful if you could return your completed schedules to me no later than Friday 8th September (the end of the first week back). If you want to return them earlier, please do!

I hope you all have a great summer and enjoy a well-deserved rest.

Best Wishes,

Sue
