The Governors of Balcombe C.E. (C) Primary School are committed to achieving Best Value in all decisions made. We use the principles of Best Value as they apply to securing continuous improvement in this school and will:

- regularly review the functions of the school, **challenging** how and why services are provided and considering targets and performance indicators for improvement;
- monitor outcomes and **compare** performance with similar schools and within the school;
- **consult** appropriate stakeholders before major decisions are made;
- promote fair **competition** through quotations and tenders to ensure that goods and services are secured in the most economic, efficient and effective way.

We will strive to ensure that the school is using its resources effectively to meet the needs of pupils.

We will review this Best Value statement with the annual budget plan and will ensure that the principles are followed in developing and implementing the School Improvement Plan.
