

During the Summer term from May 1st, we will be continuing the

BALCOMBE C OF E PRIMARY CHESS ACADEMY

The Academy is open to children, whether established player or complete beginner.
The coaching sessions are held on Wednesdays when school finishes.

Chess is fantastic to develop different mental skills including reasoning, logic, forward planning, and overlaps into other subject areas especially maths.

Throughout the year there will be a mix of coaching and playing sessions, with the aim of entering a
Balcombe C of E Primary School Chess Academy team in the
Delancey UK National Schools Chess Challenge

Our coaching is run along British Chess Institute coaching guidelines. During the term, we work towards achieving the Certificates of Chess Excellence. The certificate & assessment cost is included in the term fee.

The cost is £55 for the 11 chess sessions in the Summer term, commencing on the 1st May 2019
