

Funtastic Tales

STORIES, GAMES and DRAMA

Funtastic Tales is all about encouraging children to develop their imagination creatively. It is about nurturing children's own natural ability to create stories and place themselves within them. Through these activities children develop their confidence, social skills and communication abilities. Ultimately, we hope that children will develop an awareness of self-presentation and want to take on the challenge of performance.

At Balcombe School, Funtastic Tales will be running a weekly Drama club for the upper bubble on Tuesdays after school 3.20-4.20 and for the lower bubble on Wednesdays 3.20-4.20. The sessions will involve lots of confidence building drama games which are designed to develop children's ability to think, react and move quickly with control. We will also do plenty of 'in role' work, developing their abilities to create characters and situations while working collaboratively. Finally, we will develop their acting skills, performing to the rest of the group and evaluating what makes performances work well. We also like to develop performances of some sort to be shown to parents and in school assemblies to show-case their learning. We want to develop children's confidence and this is where having a go at performing is a brilliant, however, children will have a choice about the size of a role they take on in performance and will not be forced to do more than they are comfortable with. The performance style and type will depend on the interests of the children and what captures their imagination. Given the current covid situation we will aim to do one or two of these across the year depending on what seems most appropriate.

'Funtastic Tales' is run by Helen Savage-Butcher who has been a trained Drama teacher (11-18) for many years, having gained a BA, MA and PGCE in the subject. Helen has taught drama in several different secondary schools and run drama departments in two. She has also worked as an actor both in touring and fringe, the majority of which was in children's theatre companies. Through 'Funtastic Tales' she runs both birthday parties and storytelling events for infant-junior age children and workshops for secondary age/adults.
