Starting school

The best possible start....

We always look forward to meeting our new children and their families and hope that parents, children and teachers will all work together to achieve the best possible start to school life for every child. Beginning school is a major and exciting event in the life of your child - we can't wait to get started!

We want to be able to give your child maximum attention as he or she visits school for the first time. Therefore, we have put all children in smaller teams for the first week of school when they will visit us on 3 different occasions. These teams have different visit days for the most part (please see the calendar below for more details).
